

SINCE 1910

Greetings from Klann Organ Supply.

We have an overstock situation of birch, walnut and mahogany pedalboards. We are offering a 15% discount on our deluxe pedalboards in any of these three woods.

The first console pictured below is a Linden style shell finished in golden oak for \$2,500. This is a shell and bench only and does not include manual keys or pedalboard. This has a lower profile key desk which is designed to be used with our compact pedalboard in order to keep everything AGO. This console is set up where it can be completely disassembled for moving. We would be more than happy to sell as is or customize it with rocker tablets or stopkeys, manual keys etc.

The second console pictured is a brand new unfinished red oak Stratford console. This is a two manual with roll top that includes a blank nameboard and toe panel and finishing to match your sample. The sale price on this is \$7,500.

If you have any questions, please call me at extension 33 or Phil at extension 26 (877-457-5804).

We look forward to hearing from you,

Sandra
